Designed specifically for the charter market, this fantastic superyacht will be based in Cairns, Australia, right in the heart of the Great Barrier Reef, one of the world's most beautiful natural wonders.

A first-class crew of 7 will cater to the every wish of their guests and allow them to discover their breathtaking cruising grounds in the highest levels of luxury. The yacht will be operating from early 2006 onwards and with charter options on the Barrier Reef extremely limited, we are thrilled to welcome boat into our charter fleet.

With luxury charter and exploration the brief for boat, the yacht has been thoughtfully designed and laid out not only to ensure the optimum comfort of her guests but also to include a host of wonderful facilities. These include a gymnasium, hydrotherapy spa, cinema, professional fishing equipment, scuba gear, other watersports equipment and a heli pad. Accommodation for 10 is offered in a master suite and 4 luxury staterooms.

As befits her cruising grounds,

fishing, snorkelling and diving will feature greatly during the charter experience should the guests so desire, and the chef will prepare a freshly caught fish at the open-air teppanyaki bar. Coral trout, spanish mackerel and red emperor are popular catches in the area as well as painted crayfish, mud crab and prawns. Boat will cruise at an average of 20 knots, allowing her to cover as much or as little of the Reef as her guests desire. A 30 foot diesel jet boat on a hydraulic platform on the main deck between hulls, together with a 16 foot jet tender on the top deck are carried to take guests out on fishing and diving expeditions and to make shore transfers. Boat is sure to fill a much needed gap in the charter market for a quality yacht in this very beautiful part of the world.

Please do not hesitate to call or contact us through email if you have any question about availability, booking details or price.
